## Hearts With Hands Disaster Relief Responds to War on Ukraine

**Swannanoa, NC, August 19, 2022: 9AM EST.** || In July 2022 Hearts with Hands shipment arrived in Poland, where we partnered with Life Ministry International to distribute more of the supplies to Ukrainian refugees crossing the border. The Box of Hope non-perishable food boxes were distributed to mostly women and children.

On Friday, August 12, Hearts with Hands donated furniture, clothing and baby items for two local Ukrainian refugee families, who picked up the items at the warehouse in Swannanoa.

**Swannanoa, NC, May 15, 2022: 9AM EST.** || Hearts with Hands, in Partnership with AidUkraine: Trinity Baptist Church, Ralph Sexton Ministries, shipped 7 tractor trailer loads of relief supplies to partners in Romania and Poland. The shipments included 246 pallets, 201,239 lbs of Box of Hope non-perishable food items, hygiene kits, blankets, pillows, sleeping bags, senior adult care diapers. Supplies first arrived in Romania, where our partners, Brook of Hope, Cristia Association, and Camp Cristia, Suceava, Romania, managed the distributions. The items were provided to Ukrainians crossing the border.

**Swannanoa, NC, March 12, 2022: 8PM EST.** || In light of Russia's recent attacks on Ukraine, we are partnering with a missionary in Romania to assist him with the aid he is providing to the Uranian Refugees fleeing their war-stricken homes. Pastor Robert and Lead HWH Volunteer from Hickory, NC traveled to Lisaura, Suceava, Romania, to help with the Ukrainian evacuees - he is now back in the states, but work at the camp continues. Please continue to pray for Missionary Pavel as he continues on with the work in Romania. "Funds are needed for diesel fuel which is about \$9.00 a gallon, mattresses, bunk beds and towels. Missionary Pavel has placed an order for 2,500 Ukrainian new Testaments at \$2.00 each. Gospel of John (1500) at \$1.00. They have to be ready for the next three months. About 200,000 refugees have left already. They anticipate 5 million leaving Ukraine before it is over. About half of this group is anticipated to come through the border of Romania."
